INVITATION

Dear Prof. Khang Cao Nguyen,

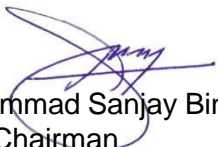

Malaysia Young Scientists Organisation (MYSO) would like to inform that we are organizing the **Malaysia International Young Scientists Conference & Exhibition (MYSCE) 2021** which will be organized "online" from April 19th-22nd, 2021.

This conference aims to bring together young scientists from more than 10 countries all over the world to present their individual research projects. We are expecting more than 300 projects from international student to participate in MYSCE 2021. There is more to come in our conference, exhibition, sharing session between teachers and students.

On behalf of the organizing committee, I invite you to take part in the **Malaysia International Young Scientists Conference & Exhibition (MYSCE) 2021**. For more information, please contact Mrs. Lee Chai Yuen as the Secretariat Head, email myso.malaysia@gmail.com or +60163607013 (WhatsApp & Telegram) should you have further queries. I have enclosed the competition guide together with this invitation.

We look forward to your team's participation registration no later than the 5th April 2021

Thank You

Muhammad Sanjay Bin Paramarie
Vice Chairman
